PROFILE

Diane has over 20 years of Corporate experience in the Human Capital sector locally and internationally namely in recruitment, performance management, talent development, coaching, job analysis, candidate profiling, workshop design, facilitation and implementation.

Over the years, she has discovered a passion in motivating, developing & empowering individuals unleashing their potentials to achieve higher in all aspects of their life.

Her journey as a Leadership and Life coach started in 2013 and ever since she continuously aims at enhancing her skills to become a better person, coach, facilitator and trainer. She believes in the power of collaboration and enjoys being part of the assist team to accompany others in their transformation whilst upskilling herself.

In 2024 D'Journeys was launched with the intent to walk with individuals on whatever journey they are, through coaching conversations, tailor made workshops, application sessions to uncover their traits and talents so that they can be the one in charge to drive their potentials.

Diane is providing coaching to leaders, managers, individuals in facilitating their journey towards becoming the best version of themselves.

Her coaching style is very supportive and compassionate.
