Background

Over the last 20 years I have been working in the Learning & Development sector as Trainer, Facilitator, Lecturer, Marketing Officer, L&D Specialist, Executive & Performance Coach, Learning and Development Manager, and the last 4 years in the Agile sector as Culture Change Specialist and Agile Coach.

My expertise is mainly in the field of delivery of training, facilitation, design of training programmes, design and implementation of development centres, training needs analysis, performance coaching, executive coaching, team coaching, setting up of community of learners, change management and project management.

I worked on assignments in the Region (Seychelles, Madagascar and Maldives), in Europe (Belgium, Germany, Finland, Sweden), in South Africa and Malaysia and thus I am able to adapt my proposed solutions and approach to different types of context and cultures.
